Date: 08th Nov 2021,

Notice

All the IQAC members are requested to attend online meeting at 11.00 A.M. on Monday, 22nd November 2021. Agenda for the meeting is as follows

1. Review of previous meeting
2. Submission of AQAR 2020-21
3. Review of R&D activities
4. Review of infrastructure and learning resources for online sessions
5. Review of final year student's placement oriented activities
6. Review of Efficacy of online teaching and curriculum delivery

Note: Platform-ZOOM, ID and password will be shared on the same day

Following members Attended the meeting

	Name
1.	Dr. S.V. Admane, Director, Wagholi Campus
2.	Dr. R.S. Deshpande, Principal, ICOER
3.	Dr. Parul S. Arora, IQAC Head
4.	Mr Pravin Yadav, Morgan Stanley
5.	Mr. Vivek Tandale, Pr. Manager, Johnson control Pune
6.	Dr. S. L. Lahudkar , Dean Academics
7.	Mr. N.S. Biradar Asst Dean Academics
8.	Dr.Nilesh Sabale
9.	Dr. N.V. Khadake,HOD Civil Dept
10.	Dr. S. K. Bhatia , HOD, E&TC Dept
11.	Prof. S. K. Wakchaure, FE Dept
12.	Prof.Prabha Singh,HOD MBA Dept.
13.	Prathmesh Patil, Student Academic council members:
14.	Piyush Thada, Alumni

Minutes of Meeting

The IQAC Chairperson & Principal, Dr. R. S. Deshpande welcomed the IQAC members for the First meeting of academic year 2021-22. The following agenda was discussed in the meeting:

- Review of previous meeting and action taken report
- Submission of AQAR 2020-21
- Review of R&D activities
- Review of infrastructure and learning resources for online sessions
- Review of final year student's placement oriented activities
- Review of Efficacy of online teaching and curriculum delivery
- Review of online classes for the FE students (newly admitted students)

The Chairperson began the meeting with taking review of last meeting and action taken report and compliance if any. Chairperson inquired with Dr. P.S. Arora about the submission of AQAR and compliance of query if any. In response Dr P. S. Arora said that submission of Annual Quality Assurance report (AQAR) is in progress.

Then the chairperson has taken review of Research and development activities. Dr. S.H. Sarje (Dean R&D) responded that total 11 numbers of proposals have been planned to AICTE under RPS, STTP, SG and FDP schemes. Under RPS scheme 4 proposals, under STTP 4 proposals under FDP 2 proposal, under MODROB 1 proposal has been planned. Further many student centric research activities are in the planning stage. Vivek Tandale, Pr. Manager, Johnson control Pune interrupted and said that research oriented student projects carry weightage in the industry, so departments can focus and increase such projects. The research organizations like DRDO, BARC, TRL etc. they need the students who are actually involved the research based projects. Even some industry sponsor such research based projects. The chairperson agreed upon this point and it was decided that each department need to increase research based final year projects get sponsorship from the esteemed companies.

Principal Informed Heads of the departments to ensure the use of several virtual labs developed by IIT's, IIIT's and NIT's for faculty members and students to understand the concepts better in this pandemic situation. Dean Academics discussed about the process of internal mark calculation and requested to submit the internal marks for the semester to CoE office.

Dr. R. S. Deshpande has taken review of available infrastructure required for conducting online classes. It was decided that ICT infrastructure that includes camera, tripod, licensed zoom video conferencing to be procured. Dr. R. S. Deshpande informed all the HOD's to prepare ICT infrastructure requirements for the respective departments.

After detailed discussion, members have chalked out action plan and accordingly committees are formed as per academic calendar to carryout activities of various academic initiatives undertaken by the institute for the students of first year & second year Engineering (UG/PG) in line with the guidelines from BOS and Academic Council.

Dr. R. S. Deshpande has taken review of FE online classes. Prof. S. K. Wakchaure said that FE classes needs to be conducted through online mode only but as these students are new to the college environment, it's a challenge to execute the lecture delivery through the online mode. On this Dr. R. S. Deshpande said that we can organize prerequisite enhancement program (PEP) to make the students aware about the different practices & engineering subjects.

Dr. P. S. Arora lastly gave vote of thanks to all the members present in the meeting.
