**5. Description:**

**(a) Introduction, Theme & Objective:**

**Introduction:**

It is an organized method or activity of enhancing and improving Technical skill set and knowledge of engineering students which boost their performance and consequently helping them to meet their career objectives. Training helps learners to acquire the latest techniques, skills, methodologies and to build a strong foundation for their career growth. In a nutshell, we can say that it helps in boosting career of students. This 7 Days Training provides everything for success in exams - detailed concepts in each area of the examination, sectional quizzes, comprehensive tests, easy to understand solutions leading to continual improvement in every student - Helping student improve on their Technical Skills and develop their weak areas. By keeping all the above points at center, JSPM's ICOER has organized this Wipro Company Specific Training on the modules/training program designed for BE Students of ICOER.
