EVENT REPORT

"Zensar Training"

1	**Name of the Event**	Zensar Training
2	**Day & Date of the Event**	02/09/2020 To 15/12/2020
3	**Time of the Event**	09.00 am To 04.00 pm
4	**Venue of the Event**	Online

5. **Description:**

(a) Introduction, Theme & Objective:

Introduction:

A "Zensar Training" event was organized by the computer department in an online setting. Preparation for technical and non-technical abilities is the foundation of the programmed. Our Zensar trainer conducted the training on the Google Meet platform for both technical and non-technical abilities.

This training's primary goal was to raise participants' awareness of career domains, which are common in academia, the IT sector, and research and development, so they could use that knowledge to make wise judgments in day-to-day activities.
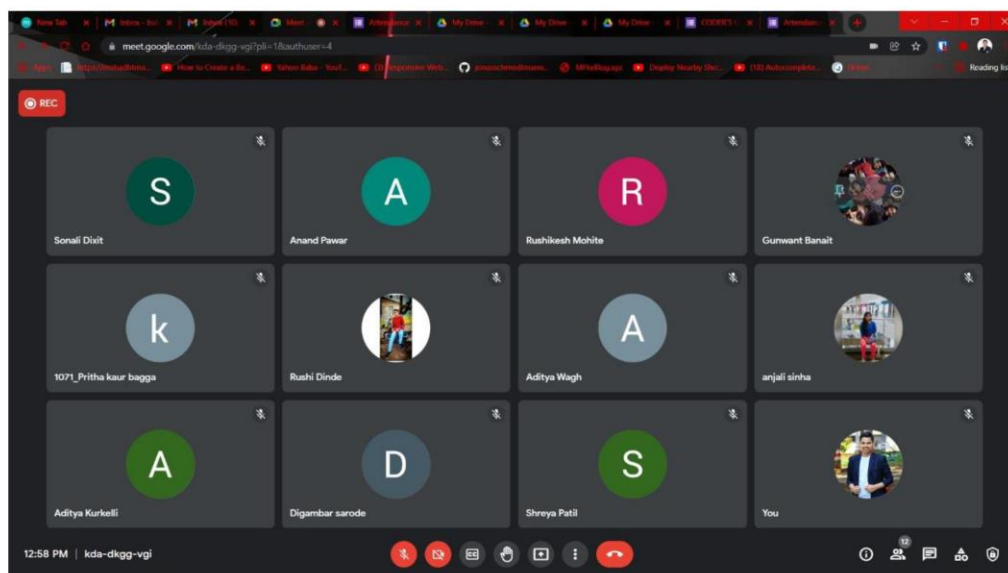

Theme:

The Computer Department unionized a coaching programme wherever several technical skills and basic necessities for the organization within the actual world were mentioned. Students were questioned throughout a discussion session concerning their technical interests and what might be done to more pique those interests so as to assist them flourish.

Objectives

1. Student will gain new knowledge and skills to perform in their placements activities.
2. To understand the value of a career and plan accordingly.

(b) Conduction:

This event was planned for Three Months. Following image shows the Complete Schedule of this Training.

© Response, participation & outcome:

All 45 students understood concerning coaching programme on placement so is that the would like for learning and nurturing of importance of career. The importance of performing on your resumes, interview skills, ability moreover as Competitive Programming Events.

A team of driven employees that are interested in learning and developing themselves and bringing in cutting-edge talents help a company expand. But finding such highly regarded applicants is a difficult and skillful effort, which was accomplished in that training session.
