## **Report on NSS special camp held at the village, Sakore (Ambegaon)**

The NSS units of JSPM'S Imperial College of Engineering and Research, Bhivrabai Sawant Institute of Technology & Research and Charak College of Pharmacy and Research Wagholi had organised a 7 day special camp in the village of sakore , Tal- Ambegaon Dist- Pune almost 70Km away from Wagholi. The main objective was to identify the needs and problems of the community and to make the village free from daily life issues thereby instil the idea of social welfare in students and to provide service to society without bias. The number of students that participated in the camp were about 100-110 and there were around 4-5 teachers everyday with the students. The unit performed many activities such as clean village mission, health check-up, village survey, various awareness programmes, health and hygiene and various village development and environment programme. The village consists of around 250-300 houses with a population of about 1800.

### **Special camp**

Dates	25 <sup>th</sup> Jan to 31 <sup>st</sup> Jan 2020
Village	Sakore
Principal	Dr. R S Deshpande
Program Officer	Prof. Pravin Lohote
Student co-ordinator	Mr. Suraj Ingle & Mr. Pranav Kurundvade

The students had organised various activities for the overall development and welfare of the village.

The main motto of the students was to spread awareness about cleanliness and the general problems suffered by the people.

This is the report of the NSS activities which was performed by the students for the welfare of the village and as a part of activity of SPPU.

We the students of JSPM are very grateful to present the report along with the detail information regarding the camp and also provide the images of each activity.

**Day 1: Saturday, 25/01/2020**

The morning of the first day started with a lot of enthusiasm. It started by everybody gathering near the buses in the campus. There after which the inauguration ceremony of the camp began. It was done by our respected principal and our hon. Director of JSPM'S Wagholi campus.

**Photographs with Principal Before leaving the campus**

After which we sat on our respective busses and began our journey to the village. We departed at around 10:00am and reached the village at 1:00pm. On our way we all enjoyed our journey and went laughing and singing. When we arrived we were welcome by all the villagers with immense love and warmth located near the gram panchayat.

Entry of the village

Then we planned that what was to be done further as to where would we sleep and cook our meals. The temple in which we had kept our luggage had a shed we were fortunate enough that we got permission to cook there. Now where to sleep? , the people in the village were very friendly and good a so they gave the boys 3 school classrooms to stay and the girls were given permission to stay at an old couples bungalow. The old couple gave the girls 2 rooms to stay without any charges. Then everyone kept their luggage in their rooms and reported at the temple. We then got distributed in 4 teams for further proceedings. The actual work started on the very first day of the camp. Volunteers discussed the project activities and agenda for the day. The students cleaned the temple and the surrounding areas. Some students cleaned the school & some the rooms. Five students of each team came together to prepare the dinner for all. Some practised their performance for 26<sup>th</sup> Jan and some decorated the school premises for the 71th republic day. Then we had dinner at 9:30pm and dispersed to rest. Day one was totally engaged in all these activities.

Flex at the entry of village

**Preparation & cleaning for the Republic day**

**Day 2: Sunday (71th republic day) 26/01/2020**

It was the 71th republic day for India and there was an event held in the primary school of the village volunteers happily helped in preparation for the event.

**Rangoli Made by NSS Volunteers for Republic day**

The girls made rangolis and the boys helped in putting the carpets for every to sit on, they also helped in the sound system and the felicitation of the all-rounders and sincere students. Our volunteers enthusiastically attended the programme which started at 7:40 am. First we all along with the students went on a rally reflecting awareness about various social and natural problems faced by everyone in the country such as girl child abortion, blood donation, traffic rules ,global warming and women empowerment etc. then we first hoisted the flag near the gram panchayat, followed by the hoisting of flag in the school.

**Awareness of different social issues by poster presentation during rally**

**Flag hosting done in the presence of all NSS volunteers**

The school student's performances stunted everybody and everyone enjoyed it a lot. First they showed various exercises reflecting importance of physical fitness, followed by exercises with various props like a pot, stick, pompoms, lezim and hula

loop. Then started the various cultural performances .There were around 10-15 performances at the programme and we had performed 4 dances.

### Cultural Program in celebration of Republic day

We also interacted with the students and helped to create awareness about national service, cleanliness and management of waste. Then the program ended with the speech by the head of school- **Mrs Smita chaskar**. Then the anchor announced that

the lunch will be provided to all by the village. The volunteers helped with the distribution of plates, glasses, water and food.

#### **NSS volunteers helped for distribution of food**

This act of helping nature was appreciated by all the villagers and they thanked us all. Then we had our lunch and we took some rest. We all gathered at the gram panchayat at 4:00pm for our further schedule. We then cleaned the temple and a guest lecture was given to us by **Mr. Ganesh Fartale** who our teachers had invited to inspire us and show us the right path and way to live our lives.

#### **Guest lecture by Mr. Ganesh Fartale**

He taught us how Chhatrapati Shivaji Maharaj lived his life and took initiative to free us from the outside invaders. Also explained us about some superstitions we all believed in and how they were just related to scientific reasons. Really this lecture inspired us all to become a good and responsible human beings with full of energy and faith in ourselves.

Thereafter we had our dinner prepared by a group among us and went to take rest.

### **Day 3: cleanliness program Monday 27/01/2020**

This day was very important for all the members as it was our 'Clean village mission'. The day was whole and solely was dedicated for the cleanliness of the whole village. We first gathered at the temple, had our breakfast prepared by another group, then we again gathered and discussed about the further proceedings. We split into various teams which were allotted certain areas where we were supposed to clean and dispose all the waste and garbage.

**NSS volunteers doing cleaning of village**

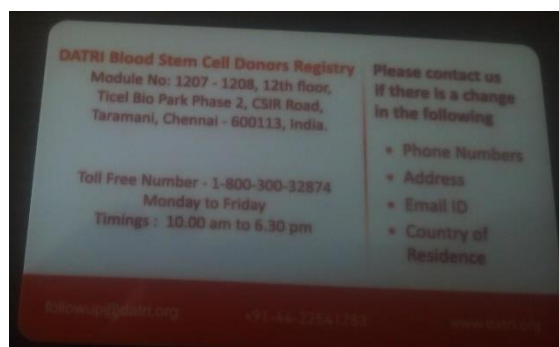

**Photographs after cleaning was finished**

Then we went to our respective spots to get going our work. The volunteers work and team work was both noticeable and appreciable. We drove a cleanliness programme around the school area, village roads, and even went to the very end of the village, for cleaning purpose. We removed all the plastics, heaps of dust, and even organic waste. The village was cleaned by brooms which were borrowed by the volunteers from the villagers and returned clean and safe. The larger heaps of garbage damp were burned with utmost care so that no accidents happen. This was appreciated by all the villagers and the sarpanch and up-sarpanch. And after a lot of work we finally completed our goal in making the village clean and tidy. The villagers were very helpful and co-operative in our work. They treated us like family and blessed us for our work. This cleanliness was carried out for about 5hrs, from 9:00am to 2:00pm.

Then we all returned to the village temple, after which we all had lunch and took some rest. Then at 4:00pm a guest lecture cum meditation seminar was held inside the temple. This was given by Mr. Sandesh Wayal. We were fortunate enough to attend this seminar and refresh our minds and relax our body.

She informed us about donation of blood stem (which help in production of blood in our body) and how we can save a life. She gave us all the necessary information about this noble cause and how we are not in any way harmed by it. We all got very much inspired by her words and many of us registered ourselves as blood stem donor by filling out some forms and giving our saliva samples to mam.

**Students done registration for donation of blood stem.**

### Day 4 Tuesday 28/01/2020

This day was one of the important days in the camp. We were going to visit the famous 'Ardha Pith Ganesh Mandir' and were going to listen to religious seminar and then serve the food that was to be served to all the people present there. Early morning we had a yoga session which was conducted by- **Mr. Pandurang Rajguru, and Mr. Vijay Modhave**. We really had fun doing various yoga and felt really refreshed. Sir taught us was a teacher at a youth empowerment program where various people and youth came for training.

### NSS volunteers doing YOGA in th morning

After the talk at the temple, first the ladies were to eat the lunch followed by the men. All the girls served the ladies food and water, while the men were served by the boys .we also had lunch there. All the people there including the anchor and the

coordinators thanked us for our help. They also felicitated our sir for our help and coordination for the serving of the food and water.

**NSS volunteers distributed the food around 4000 people**

We then headed back to our gathering area i.e. the gram panchayat. Then we were informed that a group will prepare the dinner and others will go head in the village for

survey, so some of us went for survey and interaction with the villagers. It was really a fun activity. The detailed information was collected by all the volunteers, which was very beneficial for the development of the village.

**Village survey done by NSS students**

During this survey we came across all the problems the villagers faced and got to know about how people are aware of the various government schemes. We also got good views about our work in the village and the interaction with them was worth our

time and struggles. Then everybody returned to the grampanchayat before dawn, considering the safety of the volunteers.

**‘Bhajan’ listening & Singing by our students**

There was also a bhajan at evening which was loved by all. The upsarpanch and our yoga teacher were also present there and they sang the melodious bhajan. Then all the people went for survey had some rest and then all of us had dinner and dispersed to take rest.

**Day: 5 Wednesday 29/01/2020**

This day was also very bright and sunny. This day also started with an hour of yoga and meditation. This was taken by Mr. Pandurang Rajguru.

**YOGA by NSS students**

After which we had breakfast. Then we went on trekking on a mountain. There we made a track for the villagers who wanted to get admitted in armed forces and police services. We borrowed some tools from the villagers to clear the track and make it good for people to practice. We started first with removing all the stones & grass from the track. Some of us that were handling the tools were making the track

plain enough to practice on. They removed the big stones from the track that were not able to remove by hands.

**400m Running track prepared by students for villagers for practice**

During our work the up-sarpanch visited us and took our video and pictures. He also recorded our interview and sends it to a news channel. We all then made the track

by lining up the stone in an orderly fashion with a wide border. Then we painted the boarder of the track white.

**Group Photograph after finishing work**

After which we had rest and headed back for lunch. After lunch some of us made lunch and some of did more cleaning as there was a religious lecture in the evening before dinner. Our passed out student of mechanical department Mr. **Changdev Agre**, gave us a lecture and also sang bhajan for all of us including the villagers. This was very fun and interesting.

**Guest lecture by Mr. Changdev Agre**

Then we all had dinner and went to rest in our respective places.

**Day 6: Thursday 30/01/2020**

This day too was started with yoga. We had the same feeling of refreshment and relaxation as we had for the first two days. The yoga was very helpful for our health and our mind.

**YOGA by NSS volunteers**

After the yoga we attended a lecture in the village school by. This was based on the question –“Will Oxygen be sold in grocery shops like water, in future?” given by Mr. D K Walase. This lecture was very helpful for us and the students of the school.

**Guest Lecture by Mr. D K Walase**

This day we and all the villagers were provided by a brunch by a family in the village. Then after the brunch the girls went for the preparation of the evening cultural program. This day also marked as the day everyone in the camp got to interact with the children in the school. We gained the permission from the school teachers to interact with the students after their lunch break i.e. after 2:00pm. Then we all went to various classes to teach the students and also make their day fun and happening. This day the volunteers served their knowledge with the primary school students. We had interactive sessions with the students. We made them read, sing and also recite poems.

#### **Different activity done by NSS volunteers in Primary School**

There were games like spell me, name it and wordplay etc. during this we took the entries for the evening cultural programme.

Then for the last hour we played with the students on the school ground. The games were khokho , cricket, athletics and football etc. after the school was over we all got freshened up for the evening programme.

In the evening all the NSS volunteers went for the river cleaning. This work completed after 2 hrs. After completing, all villagers appreciate the work done by the students.

**River cleaning activity**

In the evening cultural program was arranged for the villagers, the programme started with around 7:45pm and it ended around 10:00pm. the performances were very nice and appreciating. There were around 15-16 performances in which 3-4 were performed by the NSS members. Then after the programme we dispersed.

The volunteers went to have dinner after which we went to rest.

**Day 7: Friday 31/01/2020**

On the morning of 31<sup>st</sup> Jan 2020 we all got ready to go back to our home and hostels, very much excited to meet our friends and family but also felt sad for leaving village sakore. We will always have some fond memories within our hearts. The first thing we all did after getting freshened up was cleanliness of the place where we would rest .then we all gathered at the gram panchayat. Then the girls visited the playschool and kinder garden and some went for a health check-up around the village, they did the blood pressure and heart rate test. While others danced, sang and had interaction with the kids. Then after this the girls were taken to the river bank so as to get refreshed and have some fun.

**Distribution of biscuits for School students**

**Photographs before leaving the village**

**Photographs with villagers**

In the afternoon the closing ceremony was conducted on behalf of the sarpanch, up-sarpanch, NSS coordinator and NSS students. On this day everyone shared their experience of the camp. It was a very good experience for everyone. We have realized that it's our duty to serve the nation and we are the part the society, we took pledge that we will visit next time with better ideas and be the part of the society.

## Acknowledgement

We are very thankful to all the members present for the NSS camp for their presence and coordination. We are also thankful to all the teachers for their support and guidance. The camp was organised for a period of 7 days and was carried out successfully. We also would like to thank the villagers of Sakore along with the Sarpanch and Up-sarpanch for their kind support in all manners. We would also like to express our gratitude to our Campus Director **Dr. V M Kayande & Dr. S N Patil**, our Principal **Dr. R S Deshpande**. We also thank our NSS Program Officer **Prof. Pravin Lohote** for his help in carrying out all the activities and developing a sense of responsibility among all the students.
